### AN APPEAL TO THE RECORDS.

The following comparison of the expenses and receipts of the offices conducted by Republican and Democratic State officials for a like period of time was made by the Hon. John P. Gordon, Auditor of Missouri. The figures were compiled from the records in the Auditor's office, are authentic and official, and speak for themselves.

### THE GOVERNOR'S OFFICE.

**CONTINGENT EXPENSES.**  
Under Governor Folk, a Democrat, for twenty months, from Jan. 1, 1907, to Sept. 1, 1908, \$2,216.11  
Under Governor Hadley, a Republican, for twenty months, from Jan. 1, 1909, to Sept. 1, 1910, 1,952.25  
Which shows that it is \$1,766.18 cheaper for the people under a Democratic Governor than it is under a Republican Governor.

### CURRENT EXPENSES OF THE GOVERNOR'S MANSION.

Under Governor Folk's administration for twenty months, from Jan. 1, 1907, to Sept. 1, 1908, \$2,967.63  
Under Governor Hadley, for twenty months, from Jan. 1, 1909, to Sept. 1, 1910, 4,453.22  
Which shows that this department cost the people \$1,785.59 more to maintain Republican Governor Hadley, than it did Democratic Governor Folk for 20 months. For the same length of time under Governor Folk it cost the people for the improvement of grounds at the Governor's mansion, \$1,746.25. While under Governor Hadley it has cost the people for the same time 1,671.10. Which shows that even in this department the Republican Governor cost more than twice as much, or \$2,435.85 more under a Republican Governor than under a Democratic Governor.

Under Governor Folk's administration, during the entire four years, it did not cost the people anything to buy a team and surrey for him, but it cost \$173.75 to furnish a Republican Governor with a surrey and team.

We will give just a few items to show why a Republican administration of the Governor's office is more expensive than a Democratic administration. The people are paying Governor Hadley \$12.00 a month board for the servants. This is something which no Democratic Governor ever asked, or was paid. He has five servants, which would be \$60.00 per month, and for his term it will cost the people \$2,880.00 more than any Democratic administration in this State. Every Democratic Governor has furnished his own horses and surrey, but the first Republican Governor the State has had in forty years must have one furnished out of the pockets of the people.

Democratic Governors, when attending meetings out of the State, paid their own expenses, but Governor Hadley charged his expenses of a trip to New Orleans to attend a Child's and Woman's Congress to the State. The present Republican Governor does not seem to think that goods made by merchan labor are good enough for his use, consequently he has imported mansion table linens from Scotland.

### ATTORNEY-GENERAL.

**CONTINGENT EXPENSES.**  
Under Attorney-General Hadley, for twenty months, from Jan. 1, 1907, to Sept. 1, 1908, \$3,265.72  
Under General Major, for twenty months, from Jan. 1, 1909, to Sept. 1, 1910, 1,600.00

Which shows that General Major has saved the people in this one item \$1,665.72.

### COST OF LITIGATION.

Under the Republican Attorney-General for eighteen months, from Jan. 1, 1907, to July 1, 1908, \$65,781.93  
Under the Democratic Attorney-General for eighteen months, from Jan. 1, 1909, to July 1, 1910, 39,937.12  
Of the amount, \$39,937.12, \$28,437.58 was inherited from General Hadley's administration, which shows that it cost \$65,781.93 more to run this office under a Republican Attorney-General for eighteen months than it does under a Democratic Attorney-General.

### GAME PROTECTION.

### CONTINGENT EXPENSES.

Under a Democratic administration, from Sept. 1, 1907, to Sept. 1, 1908, \$12,148.28  
Under a Republican administration for the same length of time, from Sept. 1, 1909, to Sept. 1, 1910, 43,205.61  
Which shows that under a Republican administration it costs the people \$70,057.33 more than under a Democratic administration.

We will give a few items of expense under the Republican Game Warden to show where the money goes:  
He has spent in the last six months, for birds, which means pheasants \$4,469.67  
He spent for chicken hens, at seventy-five cents each, 450.00  
He has spent for telephoning and telegraphing about young pheasants 135.42  
He has spent for express and freight the sum of \$71.25  
He has spent for chicken coops in the last six months the enormous sum of \$2,727.40  
He has spent for bird eggs, 2,775.15

This is \$2,545.28 more than under a Democratic administration.

Under a Democratic administration, from Jan. 1, 1907, to Sept. 1, 1908, \$78,241.15  
Under General Rumbold, a Republican, for the same length of time, from Jan. 1, 1909, to Sept. 1, 1910, 86,276.71

Which shows that this department cost the people \$2,486.35 more for a Republican Adjutant-General than it did for a Democratic Adjutant-General.

Under Republican Adjutant-General Rumbold, for the same length of time, from Jan. 1, 1909, to Sept. 1, 1910, 7,791.55  
We give a few items showing why this department is more expensive under a Republican administration than under a Democratic administration.

Rumbold's expenses of trip to Los Angeles in September, 1908, at the expense of the State, \$138.00  
Automobile hire in June, 1908, 25.00  
Automobile hire at Camp Rumbold, August, 1910, 150.00

Mr. Swanger's receipts include fees of the Banking Department which was then a part of the Secretary of State's Department. The figures given as receipts during Mr. Roach's term do not include the Banking Department fees, as the Bank Department has been separate since January, 1909.

These are the official records, Mr. Voter; which will you endorse by your vote November 8th, the Republican record of extravagance, or the Democratic record of economy?

The above record demonstrates thoroughly that the Democratic party is the party of economy in Missouri, and that the Republican party is the party of extravagance. Democratic rule in Missouri reduced the tax rate from 56 cents to 17 cents on the \$100 assessed valuation—last year the tax rate in the adjoining states of Nebraska, Kansas, Iowa and Illinois was 61 cents, 54 cents, 46 cents and 46 cents, respectively. Not being able to raise the tax rate in Missouri, the Republicans seek to raise the assessments in loans to obtain money to meet their extravagance.

Gov. Hadley is an advocate of assessing farm lands at full market value, and urged the assessors to so assess it. When the question of the equalization of the farming lands of the State came before the board of equalization at its final meeting, Gov. Hadley was not satisfied with the work of the county assessors, as to the real estate, and worked and voted for an increased assessment, from about thirty-three and one-third per cent, at which farms are now assessed, to one hundred per cent of their value. Gov. Hadley made the mistake, although a lawyer, of considering the board of equalization a board of assessors. He didn't stop to appreciate the fact that the board could only equalize, not assess. Fortunately for the farmers of Missouri, the four Democrats of the board, Messrs. Cowgill, Gordon, Roach and Major, stood by the farmers and prevented the rule in their assessments of 200 per cent.

# Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The remedy then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Hudson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O. To those who are still skeptical there is a way to prove these assertions without a penny of expense. Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not grip and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. H. Caldwell, 1500 Caldwell building, Monticello, Ill.
